

Come Sail with Us The Caribbean British Virgin Islands Mar. 21 – Mar. 29, 2014

Join us for a fabulous 9 day sailing vacation in the Virgin Islands. We will be sailing out of the Moorings' base in Road Town, Tortola, with our cruising area covering the British Virgin Islands. Renowned for sailing in year-round excellent weather and abundantly blessed with perfect anchorages and welcoming waterfront establishments, the Virgin Islands is a cruising area acclaimed the world over. It's little wonder that the BVI is rated as the top cruising destination in the world. So pack your casual clothes, hiking boots and of course a camera... and let the adventures begin.

Highlights of our itinerary include Norman Island, where you can snorkel the caves which may still hold pirate treasures, and Cooper Island, with its pristine shores of Manchioneel Bay, where you will find white sandy beaches and turquoise waters which are perfect for relaxing, swimming and snorkeling. The Baths at Virgin Gorda are a definite must, and Jost Van Dyke, with only 180 inhabitants, is also on our itinerary. The Bitter End Yacht Club in Virgin Gorda's North Sound will not be missed either. Anegada, surrounded by reefs and crystal clear water, is perfect for both snorkelers and divers alike. No trip is complete without a visit to Cane Garden Bay, where you can tour the rum distillery, and Salt Island, where you can dive or snorkel the wreck of the Rhone. Some additional ports of call we may visit are: Little Harbour on Peter Island, the island of St. John with its underwater national park, and the island of St. Croix.

Our boats are Moorings 43' Beneteau yachts with 3 double staterooms, each with its own head and shower. These boats are fully equipped sailing vessels, and include such amenities as CD player, electronic navigation systems, and electric anchor windlass. There will be 6 people per boat. In addition to sailing, we will be snorkeling, diving, exploring, sightseeing, partying, and much more.

When: March 21 to March 29, 2014.

What's Included: 9 days and 8 nights aboard a sailboat, round trip airfare (JFK to St. Thomas, USVI), round-trip ferry between St. Thomas and Tortola, food and beverages on boat (self provisioned), group dinner, use of snorkeling gear, boat insurance, T-shirt, and parties.

What's Not Included: some meals ashore, mooring fees, and possible customs/departure fees.

What It Costs: Approximately \$1725 per person based on double occupancy. (Actual cost available Dec., 2013)
Airline fares, fuel charges and taxes are not yet finalized, so cost of trip may vary slightly.
