

# WEEK-LONG "BARGE" TRIP ON THE ERIE CANAL

*August 19 - 26, 2016*

**WHEN:** All hands depart home Thursday, Aug. 18th (optional Thursday night hotel stay; see coupon), or Friday morning, August 19th as car-pooled as possible for an approximate 6 hour drive to Macedon/Rochester, New York. (Arrival at marina must be no later than 1PM on Friday, the 19th.) Return Friday morning, August 26th.

**WHERE:** Embark from Macedon Canal Park Marina in Wayne County, NY for a week's CANALLING and passage thru several locks on the Erie Canal and historic upstate region of New York State. Our stops may include the canal towns of Macedon, Fairport, Pittsford, Albion, Spencerport, Middleport, Medina, Lockport and Tonawanda. Many of our stops will include state parks (for hiking and biking), museums, historical sites, and other points of interest. Biking trails are available along most of the canal route.

**FLEET:** 42' Lockmaster Canal Cruisers (vessels are custom-built for canal passages); number depends on early sign-ups. These boats come equipped with heaters and fans, two heads and a shower, towels and bed linen, stereo systems, bicycles, and more. Crews will consist of 6 people per vessel, including an experienced club skipper.

**DUTIES:** An Equal Opportunity Trip - All hands pull their weight on deck, in the galley, and in provisioning before the trip. Experience the hands-on process of "locking through."

**ESSENTIALS:** Everyone should bring: boat shoes (or soft and light-colored soles), clothes for warm and cool weather, windbreaker, your own cocktail hour cheer, beer, and soft drinks. Also include: sun, wind & bug protection, hat, swimsuit, personal flashlight, and sunglasses. Pack your gear in a duffel bag or other non-rigid bag! If you are planning to bike, it is best to bring your own bicycle.

**PRICE:** Approximately \$575/person plus cost of food (may vary slightly from boat to boat). Price does not include meals ashore, or possible docking fees. Be prepared to settle balance due for provisions and boat expenses on the trip. If you carpool, arrange for cost sharing in advance. (PSC membership required.)

**DEPOSIT:** \$575/person, check payable to "Princeton Ski Club" and mailed to Uri Goldinger with sign-up coupon. Cost includes: boat, fuel, 1 group dinner and a mid-trip party.

**DEADLINE:** The number of berths cannot be adjusted after the May 19th deadline; so, SIGN UP EARLY! Cancellations before the deadline receive a refund of deposit less \$25.00. After the deadline, refund depends on overall trip finances, in accordance with PSC policy.

**NOTES:** Additional information including directions will be sent to all participants. No minors.

**LEADER:** Uri Goldinger, 133 Edwards Rd., Freehold, N.J. 07728-1312, (H) 732-431-0118
