

Welcome to **SEAS Monmouth**. As an introduction to our club, we'd like to highlight some of the benefits you will receive as a member:

ACCESS TO OUR SAILING FLEET:

- ◆ 3 16'-18' daysailers at Marina Bay Club on the Shrewsbury River
 - ◆ A 22' Rhodes at Atlantic Highlands Municipal Marina on Sandy Hook Bay
 - ◆ A 28' O'Day with inboard diesel at Perth Amboy Municipal Marina on the Raritan Bay
 - ◆ A fleet of Lasers that are brought out for small boat days and special events
- ☀ The daysailers, Rhodes, and O'Day all have scheduled activity sails each week where members can sail with a club skipper. Any member can join one of our evening sails, and a minimal trip donation is requested to help in the upkeep of our fleet.
 - ☀ Upon qualifying as skippers, members can apply for keelboat passes that allow them unlimited access to the boats during the course of the season at a reasonable cost.
 - ☀ SEAS hosts a number of other events and weekend activities on our boats including weekend sails and Small Boat Days.

GREAT EDUCATIONAL OPPORTUNITIES:

- ☀ We teach a **Basic Sailing Course** throughout the season to new sailors.
- ☀ We offer classes for more advanced sailors such as a **Cruising course** which takes place over a three day weekend sail in the Chesapeake Bay, a **Boat Handling course** which emphasizes how to maneuver a boat under power, and an **Advanced Sailing course**.
- ☀ We also run single-evening "**mini-courses**" that can give you further perspective on topics like engine maintenance, man-overboard drills, and docking and maneuvering.

GET TO KNOW YOUR FELLOW SAILORS:

- ☀ On the last Tuesday of every month, we host interesting speakers at our general meetings which are held at 8:00 PM at the Keyport Yacht Club, 115 1st Front St., Keyport, NJ 07735.
- ☀ We host a series of parties throughout the year at the Monmouth Beach Cultural Center.

If you need any information about our club or about dates and locations of events, you are welcome to contact one of us anytime. We will be glad to help out. And our website at <http://www.sailseas.com/monmouth> is a great source of information, including an Activity and Sailing Calendar that lists everything that's happening, including the cost and the contact person.

Thank you for joining, and we look forward to sailing with you!
